SCHOOL REPORT.

The condition of our schools is practically the same as last year.

The length of school year was 28 weeks.

The Town House school was closed the winter term on account of sickness and the inability of the smaller scholars to attend.

The third grade in the village remained in the primary room an extra term and much credit is due Miss Bickford in the interest shown and advancement made by the class.

The money expended on repairing the inside of the Hawkins, Cram and Town House school houses has greatly improved their appearance. New paint and kalsomining have made the rooms pleasanter and prettier for the children to stay in.

Miss Mand F. Weeks was again in charge of the Grammar room for the spring term. The fall and winter terms were taught by Mrs. Alice P. Sargent.

The Primary room has been under the instruction of Miss Myrtie L. Bickford for three years.

The Hawkins school was fortunate in having again Miss Mabel M. Estes. The fall and winter terms were taught by Miss Edith M. Startevant.

The same teacher, Miss Claudine Gibson, was retained for the Cram school.

At the Town House school, Miss Clara Wallace taught the spring and part of the fall term, on account of sickness she re-

signed and Miss Annie Glidden was secured as a substitute.
